B AND B MAINTENANCE, INC.'S EMPLOYEE NEWSLETTER

COMMITTED TO GREEN

B and B Maintenance is excited to announce we have successfully passed both our CIMS and CIMS-GB recertification with honors and nationwide status.

What does that mean?

CIMS-GB certification demonstrates that B and B Maintenance, Inc. has undergone a comprehensive assessment by an independent, accredited CIMS-GB assessor and has successfully demonstrated a commitment to the delivery of environmentally preferable services that are designed to meet customer needs and expectations. By implementing the CIMS-GB principles into the organization's operations where requested, B and B Maintenance, Inc. has established its capability to provide green cleaning services and assist customers in achieving points under the LEED-Existing Buildings: Operations and Maintenance (LEED-EBOM) Green Building Rating System.

B AND B MAINTENANCE CELEBRATES NATIONAL CLEANING WEEK 2021

ISSA's "National Cleaning Week" was celebrated from March 29th to April 3rd this year. This week was dedicated to celebrate the value of clean, and the important, positive impact cleaning has on public health and the environment. It also represents a unique opportunity to raise public awareness for the cleaning industry, and to recognize all of our amazing employees for their hard work and dedication.

B and B Maintenance planned a week full of information and virtual events to get everyone involved in promoting the importance of clean. We also wanted to recognize a handful of our amazing employees, who continuously go above and beyond in everything they do. Pictured on the left is one of the several individuals who were recognized for their outstanding dedication during National Cleaning Week.

RECOGNIZING EXCELLENCE

Francisco Martinez has been working as a day porter for B and B Maintenance for over 10 years. He has been keeping two of the medical office buildings, on a medical campus we service, clean, disinfected, and healthy throughout the day. The physicians, nurses, and office managers in these buildings always comment on how hard working and cautious Francisco is. His efforts were even recognized last week by the Hospital President and CEO!

Thank you, Francisco, for being our May Employee of the Month!
