Forgot your password, username, or Company ID? It happens! Get back online in no time directly from your desktop or mobile device.

In the app or your desktop, select **Help** in the upper right of the screen. Then select **Forgot Password, Forgot Username, or Forgot Company ID**.

Follow the prompts, then select **Continue** to trigger a one-time passcode to be sent via text or email.

Enter the **One-Time Passcode** and select **Continue** to choose a new **Password/ Username**.

Select **Finish** and you're back in business.
