## HAVE YOU COMPLETED YOUR ANNUAL SAFETY TRAINING?

As we get toward the end of the year, please remember to log onto our website, ([bbmaintstaff.com](http://bbmaintstaff.com)), to complete your annual safety training. This safety training is required for all levels of staff and is to be completed at the time of hire, as well as annually throughout the life of employment.

This training covers topics such as:

Hazard Communication, Blood Borne Pathogens, Ergonomics, and Our Company's Safety Procedures.

**Please reach out to your Supervisor or EHS Director if you have any questions on completing this training.**

## COVID-19 UPDATE

Unfortunately, COVID-19 is still among us. In order to keep ourselves and our customers safe, please remember to use Q256 on all door handles, faucets, flush valves, phones, counters, and all other high touch points every day. Remember, we can never be 100% sure who has been exposed to the virus especially as our customers begin to reopen their doors to the public.

## EMPLOYEES OF THE MONTH

Excellence is the standard for everything we do at B and B and our employees are at the heart of this standard.

We appreciate all the hard work and dedication that you put into your jobs! Each month, our newsletter will feature a new "Employee of the Month" recognizing an employee who exemplifies the B and B standard.

### Check out some of our past highlighted employees!

B and B Maintenance would like to recognize **Greg King** and **Chris Johnson** for their continuous dedication and initiative. We received kind words from a client, expressing their gratitude towards these employees, after an unexpected incident occurred at their site. Chris and Greg quickly got to work to prevent the problem from continuing and notified the proper people right away.

B and B Maintenance would like to recognize **Maria Magana** and **Anna Dlugopolski** for their honesty and integrity. Both of these employees found valuable personal items belonging to others at their job sites. They both followed proper procedure to notify management and get the found items back to their rightful owner.

**Thank you again for all that you do - We value and appreciate you!**
